

Position: Case Manager
Reports to: Program Director
Location: Bronx, NY
Hours: Full-time, 40 hours per week; Tuesday 12-8pm, Wednesday, Friday, Saturday 9-5pm, Thursday 8-4pm.

About Jericho Project

Jericho Project is a nationally-acclaimed nonprofit ending homelessness at its roots by enabling homeless individuals and families to attain quality housing, employment and mental and physical health services. The 36-year-old nonprofit serves over 2,500 individuals, including 700 veterans, annually. Jericho has been a key partner in New York City's initiative to end veterans' homelessness, and is leading bold, innovative strategies to do the same for families and young adults.

Our programs touch four cornerstones of a person's life: housing, employment, wellness and family stability. We create a culture of "moving on" through a foundation of housing and supportive services provided by expert program specialists and case managers.

We have over 550 units of supportive housing including 8 residences in the Bronx and Harlem, as well as scatter-site apartments throughout NYC.

About the Position

The Case Manager will carry a caseload of approximately 20 to 25 formerly homeless individuals who qualify under the eligibility criteria as proposed by the NYC Department of Homeless Services, NYC Department of Health and Mental Health and HUD. Case managers will be required to have frequent contact, but not limited to, weekly or monthly face-to-face meetings, telephone conversations, aftercare contacts, e-mail and other electronic exchange with colleagues is expected.

Responsibilities:

- Provide direct case management services and apartment visits & inspections. Case management services will include mental health, trauma, ACCESS NY and substance use assessments, developing and updating service plans using person center model, assistance with obtaining public assistance, Social Security benefits/entitlements and other publicly available resources that may be beneficial to the resident.
- Utilize Motivational Interviewing, and Harm Reduction techniques to assist low-income individuals with a history of homelessness, and or substance use disorders, and/or mental health diagnoses.
- Act as liaison for the psychiatrist at the program site and manage the appointment times of residents receiving services from the doctor.
- Implement groups with a focus on life skills, education and support, relapse prevention and mental health counseling.
- Complete referrals to medical, mental health, and other outside providers.
- Coordinate and document clinical case management and psychosocial services while also documenting the overall effectiveness of the case management services provided. Case Managers will develop an Individual Service Plan and review the plan periodically for efficacy.

- Collaborate with Workforce Opportunities Staff to assist resident in developing and realizing employment related goals, where applicable.
- Ensure compliance with organizational and funder regulations and documentation.
- Case management assessment and services will be informed by Motivational Interviewing and Harm Reduction approaches.
- Participate in community development efforts such as Community Meetings and supporting the residence in establishing partnerships with other providers in the community.
- Work with Property Management staff to assist resident to meet terms of their lease including timely payment of rent and avoidance of any nuisance behaviors.
- Provide all services in a manner that respects cultural differences amongst residents.

Requirements:

- Bachelor's degree in human services or a closely related field.
- Experience working in homelessness, substance abuse, mental health and/or trauma settings preferred.
- Knowledge of Evidence-based practices; Motivational Interviewing techniques and the Harm Reduction Model.
- Ability to establish positive rapport with residents and staff.
- Must possess strong organizational, writing, communication, and computer skills.
- Candidates must possess the skills and energy to work with high-need/ high-risk individuals.
- Strong engagement and interpersonal skills.
- Some relevant experience working with low-income or homeless populations.
- Be familiar with interventions needed for residents with severe persistent mental health issues.
- Fluent in Spanish is strongly preferred.

Compensation:

Salary is commensurate with experience. Jericho Project offers a comprehensive benefits package.

How to Apply:

Interested applicants must submit a resume & cover letter with salary requirements to:
