Instructions for Donations of Stock to Jericho Project

There are two steps to follow for contributing a gift of stock to Jericho Project.

Step 1: Notify Jericho Project of Transfer

Contact us at the address listed on the upper right-hand corner so we may alert our broker of your contribution.

You or your broker will need to provide the following:

- Date of stock transfer
- Number of shares
- Name of stock
- Correct spelling of your name
- Your complete mailing address so we may accurately acknowledge your gift for tax-deductions.

Step 2: Complete Transfer

All Depository Trust Company-eligible securities transactions should be directed to:

Financial Institution: Vanguard Brokerage Services

Account Name: Jericho Project

Account Number: 80799598

DTC: 0062

Authorized Agent: Victoria Lyon

Instruct the broker to enter your name, as well as any other information that will help us identify the donation as coming from you (such as your account number, phone number, address, and/or broker information), into the "Text Comment" field of the DTC screen.)
