### **About Jericho Project**

Jericho Project is a nationally-acclaimed nonprofit ending homelessness at its roots by enabling homeless individuals and families to attain quality housing, employment and mental and physical health services. The 41 year-old nonprofit serves over 3,000 individuals, including 700+ veterans, annually. Jericho has been a key partner in New York City's initiative to end veterans' homelessness, and is leading bold, innovative strategies to do the same for families and young adults.

Our programs touch four cornerstones of a person's life: housing, employment, wellness and family stability. We create a culture of "moving on" through a foundation of housing and supportive services provided by expert program specialists and case managers.

We currently operate 625 supportive housing units including 9 residences in the Bronx, Harlem, and Astoria, as well as scatter-site apartments throughout NYC.
